

## **CHICKEN BOOSTER**

A concentrated, rich, strong, savoury chicken flavour. 25 grms of Chicken booster added to 1 litre of boiling water makes an excellent chicken stock. Can be added to pies, canned foods, smallgoods, rolls, etc, and all wet dishes requiring a full chicken flavour.

## **BEEF BOOSTER**

25g of Beef Booster added to 1 litre of boiling water makes an excellent beef stock. Can be added to hamburger mix, canned meats, smallgoods, meat pies and pastries, etc, and all wet dishes requiring a full meaty flavour.

THIS IS ONLY A GUIDE.
